## EDUCATION

### University of Washington

September 2013 - June 2018

B.S. in Informatics, Human-Computer Interaction

Dean's List 9 quarters

## EXPERIENCE

### Product Design Intern

XO Group, Inc.

June 2017 - August 2017

Conducted user research and user testing. Worked closely with a cross-functional team using agile.

Created mockups, prototypes, and design specs for solutions that will affect the 12 million unique monthly visitors of The Knot.

### Finance Assistant

University of Washington Information School

October 2014 - Present

Screened and trained other finance assistants, assisted with charge accounts and travel reports, handled petty cash, organized paper and digital files.

## LEADERSHIP

### Software Development Lead

UW Virtual Reality Association

September 2016 - June 2017

Hosted events such as conferences, speakers, and workshops, assisted students with their projects, conducted outreach on campus and with the greater VR community.

### Finance Director

Pixel Husky

January 2016 - June 2016

Ensured that the club had the fundings needed to host events that spread design across campus.

## SKILLS
