EDUCATION

University of Washington
September 2013 - June 2018
B.S. in Informatics, Human-Computer Interaction
GPA: 3.54, Dean's List 8 quarters

EXPERIENCE

Web & Digital Media Intern
UW Office of Minority Affairs and Diversity
August 2017 - Present
Developing and updating OMA&D web pages. Creating visual images for web and print. Using email marketing tools to update newsletters. Managing social media properties and online calendar system.

Product Design Intern
XO Group, Inc.
June 2017 - August 2017
Conducted user research and user testing. Worked closely with a cross-functional team using agile. Created mockups, prototypes, and design specs for solutions that will affect the 12 million unique monthly visitors of The Knot.

Independent Contractor
IvyStart
July 2017 - August 2017
Gathered user and business requirements from key stakeholders. Redesigned and developed the website and internal portal of the company based on findings.

LEADERSHIP

Software Development Lead
UW Virtual Reality Association
September 2016 - June 2017
Hosted on-campus events, assisted students with their projects, and conducted outreach on campus and with the Seattle VR community.
